Specifications

SKU	00L530-K-096
Plug	Open End
Connector	NEMA L5-30R
Cordage	10AWG/3C SJT
Length	8 M (8.00 m)
Wire color	Black
Electrical rating	25A / 125V
ROJ / strip	Source: 2" ROJ / 0.25" strip
Lead time	10 days from order
Approvals	Pending engineering review — assigned at order acceptance
HTS Code	8544.42.9090

Configuration generated at Sep 14, 2026 at 1:58 pm. This datasheet is not a Certificate of Conformance — custom builds receive a per-order CoC at production sign-off — and is not a contract. Specifications subject to engineering review prior to production.

UL listing reference

Compliance evidence summary for the cord families documented in this pack. The listing below is the public-record proof of UL recognition for the cordage + connector pair; it is reproduced here verbatim for the convenience of customer quality / engineering review.

UL PRODUCT IQ — RECOGNIZED COMPONENT

ELBZ7.E210037

Verify the live listing at <https://iq.ulprospector.com> using the file number above.

UL Product IQ® is a registered service mark of UL LLC. Reproduction in customer-facing documents is permitted under the recognized-component agreement on file with our supplier.

Compliance summary

UL recognized component	ELBZ7.E210037 (<i>MSL Taiwan — primary supplier</i>)
Listing scope	Power supply cords & cord sets; flexible cord molded plug-end sets; cord-end fittings. Covers the cordage + connector pair for this family.
Approvals	cULus
Certifications	RoHS, REACH, TSCA
Origin	TBD
HTS Code	8544.42.9090

This page is a reference summary of the recognized-component listing only. The full Certificate of Conformance for this family is included earlier in this document pack and is signed under delegated Quality Assurance authority.
